## CURRICULUM VITAE

### Personal data

Name: Eslam Hamdy Elghonaimy  
Nationality: Egyptian  
Born: 29 June 1966, Egypt  
Marital status: Married

### CURRENT CAREER:

#### ACADEMIC:

**From 2007 till now**, Associate Professor of Environmental Architecture and Urban Design & Consultant Architect and Urban Researcher for environmental Studies, Alexandria University, Faculty of Fine Arts, Architectural Department, *Egypt*.

**From 2009 till now**, **Affiliation** Associate Professor of Landscape Architecture and Environmental Urban Design in Department of landscape Architecture, College of Architecture and Planning. & Consultant Architect and Urban Researcher for environmental Studies for University Research center  
King Faisal University, *Saudi Arabia*.

#### PROFESSIONAL:

**From 2005 till now**, Affiliation as Environmental studies specialists & Urban Design Management Consultant & Urban developer, with "City Developing Strategy program (C.D.S.)", Arab Urban Developing institute," AUDI", & City Alliance, *Saudi Arabia*.

**From 2000 till now**, Partner, & Architect project reviewer (specification, QaQc, bill of quantities, tender documents,..etc) Urban Design consultant for urban and planning projects in "Architecture Center", Planning and Architecture Consultation office, Alexandria, *Egypt*

**From 2004 till now**, Affiliation as landscape architecture Management consultant for Urban and Planning projects in "Naiem consultant architecture and planning office" Planning and Architecture Consultation office, *Riyadh, Saudi Arabia*

**2008**, Urban design Consultant, World Institute for Development Economics Research of the United Nations University (*UNU-WIDER*), *U.N.U, Finland*.

## CERTIFICATES

### ACADEMIC CERTIFICATES:

**2000, Ph.D. of Architectural and Urban Design,**

Subject: "ENVIRONMENTAL ASSESSMENT OF URBAN AREA",

Thesis title: "MONITORING THE CHANGES OF URBAN EXPANSION AND LAND USE PATTERN AND ITS IMPACTS ON RESIDENTIAL AREAS",

Architectural Engineering Department, Faculty of Engineering, Al-Mansoura University.

**Thesis process was in joint venture with Ohio State University, U.S.A., under the supervision of Prof. V. Rabinu**

**1994, M.Sc. of "ENVIRONMENTAL STUDIES".**

Subject: ENVIRONMENTAL REFLECTION IN URBAN AREA

Thesis title: "THE RELATIONSHIP BETWEEN HOUSING CONDITIONS AND UNPLANNED OTHER LAND USE IN RAPIDLY GROWING URBAN AREAS",

Section of "Environmental Management and Economic", Department of Environmental Studies, Institute of Graduate Studies and Research, Alexandria University. **Thesis**

**process was in joint venture with institute of housing studies (I.H.S), Nederland under the supervision of Prof. M. El-Rayee.**

**1988, B.Sc. (Architect)**

Department of Architecture, Faculty of Fine Arts, Alexandria University. Egypt

### PROFESSIONAL CERTIFICATES & QUALIFICATIONS

**2009**, Consultant in "Architecture Landscaping", Certificate in branch of the "Architecture" field of "Urban Planning", Egyptian Engineering Syndicate, *Egypt*

**2008**, Consultant in "City Developer and Urban Designer" , Certificate in branch of the "Architecture" field of "Urban Planning", Egyptian Engineering Syndicate, *Egypt*

**2007**, Consultant in "Urban Planner" , Certificate in branch of the "Architecture" field of "Urban Planning", Egyptian Engineering Syndicate, *Egypt*

### **Member in professional syndicates.**

Member in the “Bahrain Engineering syndicate”, *Bahrain*.

Member in the “Saudi Umran Society”, *K.S.A.*,

Syndicate of Egyptian Architects and Engineers, Registered Architect., *Egypt*

### **Field of Interests and experience:**

#### **Architecture Field**

1. Affordable and adaptable housing
2. Architectural building techniques, working drawings & Architect project reviewer (specification, QaQc, bill of quantities, tender documents,..etc)
3. Architecture and Sustainability
4. Architecture Computer Aided design and drafting.

#### **Environment Field**

1. Environmental Studies and Urban Planning and City sustainable developing.
2. Environment management for developing projects
3. Environment impact assessment (E.I.A) of city urban expansion.
4. Urban and Rural sustainable developing.

#### **Urban, Rural, and Regional Planning**

1. Remote sensing technique in Detecting, monitoring city urban expansion and analysis.
2. G.I.S. , Land-cover, landscape, urban design and planning.
3. Socio Economic and Urban Planning Developing
4. Urban and landscaping Design

#### **Management,**

Consultant in Construction Management, Site Supervision and Q.a.Q.c.

Professional Practice and Construction Documents Reviewer (specification, bill of quantities, tender documents,..etc)

## Academic Career developing:

### Primary areas of experiences in teaching:

1. Urban Design and/or Planning, Landscape Architecture
2. Computer Aided Design
3. Working drawings and Building Construction and Technology,
4. Design Fundamentals (Basic Design),

### Full time Teaching loads:

**2006 - 2009**, Affiliation Assistant Professor of Urban developing and Design  
Department of Civil Eng. & Architecture, College of Engineering, University of Bahrain, *Bahrain*.

**2003-2006**, Affiliation Assistant Professor of Urban Design,  
Department Urban Planning, college of Architectural and Urban Planning, KING SAUD  
UNIVERSITY, *Saudi Arabia*.

**2000 – 2002**, Assistant Professor of Architecture and Urban Design, Architectural Department,  
faculty of Fine Arts, *Alexandria University, EGYPT*

**1999, 2000**, lecturer, Architectural Department, Faculty of Fine Arts, *Alexandria University,  
Egypt*.

**1995-1999**, lecturer, Architectural Department, Faculty of Engineer, *Al-Mansoura University,  
Egypt*

**1990 – 1995**, Architect, department of construction, Ministry of Agriculture,  
*Egypt*

**Full time Details teaching subjects:**

**2006-2009, IN UNIVERSITY OF BAHRAIN:**

Department of Civil engineering and Architecture, College of Engineering, University of Bahrain,  
*Bahrain*

**Principal Courses Taught To Date in Academia:**

1. CEG 160 (computer Aided Civil Eng'g Drawings)
2. INTD 212 (computer Aided drafting)
3. INTD 321 Material & methods of construction III
4. INTD 223 (computer Aided interior design)
5. INTD 322 (Working Drawings I ) for interior design
6. ARCG 214 (computer Aided Architecture drafting)
7. ARCG 412 (Working Drawings I )
8. ARCG 512 (Working Drawings II)
9. ARCG 511 (Graduation Project Program)

*Details:*

*The Academic year 2008-2009*

- CEG 160 (computer Aided Civil Eng'g Drawings)
- ARCG 412 ( Working Drawings I ) for architecture
- ARCG 512 ( Working Drawings I I) for architecture
- ARCG 511 (Coordinator of Graduation Project Program) for architecture section

*The Academic year 2007-2008*

- ARCG 412 ( Working Drawings I )
- ARCG 512 ( Working Drawings I I)
- ARCG 511 (Coordinator of Graduation Project Program)
- INTD 322 ( Working Drawings I ) for interior design
- INTD 321 Material & methods of construction III

*The Academic year 2006-2007*

- ARCG 214 (computer Aided Architecture drafting)
- ARCG 412 ( Working Drawings I )
- INTD 212 (computer Aided drafting)
- INTD 223 (computer Aided interior design)

**2003-2006, KING SAUD UNIVERSITY, Faculty of Architectural and Urban Planning:**

*The Academic year 2005-2006*

- Architecture Design 1
- Introduction to Computer – drawing and presentation.
- Urban History

*The Academic year 2004-2005*

- Basic design I,
- Basic design II,
- Application of Computer software in Planning.
- Presentation Technique software
- Environmental Polices and analysis

*The Academic year 2003-2004*

- Application of Computer software in Planning.

- Urban Project I

**2000 – 2002**, IN ARCHITECTURAL DEPARTMENT, FACULTY OF FINE ARTS ALEXANDRIA UNIVERSITY, EGYPT:

- *Urban subjects:*
  - Urban Design studio; for the 3rd academic year; (5 credit hours)
  - Urban and Town Planning; for the 4th academic year; (3 credit hours)
- *Architecture subjects:*
  - Building technology and working drawings 4 (5 credit hours)
  - Design studio for the 6th term & 7th term. (5 credit hours)
  - Application of Computer Science in Architecture; the first and second academic term; (5 credit hours)
  - Shading and Perspective; the 3rd and 4th term; teaching language is English & Arabic; (3 credit hours)
  - Landscape design; the 5th and 6th term; teaching language is Arabic. (3 credit hours)

**1999, 2000**, lecturer, Architectural Department, Faculty of Fine Arts, *Alexandria University, Egypt.*

**1995-1999**, lecturer, Architectural Department, Faculty of Engineer, *Al-Mansoura University, Egypt*

**1990 – 1995**, Architect, department of construction, Ministry of Agriculture, *Egypt*

#### ***Part time teaching loads,***

**2008-2009**, Department of Landscape Architecture, College of Architecture and Planning, *King Faisal University, Saudi Arabia*

- Professional practice
- Construction management
- Construction Documents

**2000 – 2002**, Architectural Department, Faculty of Engineering, *Mansoura University, Egypt:*

#### **Academic Courses:**

- *Urban subjects:*
  - Landscape Design; for the 2nd academic year; (3 credit hours)
  - Urban Design; for the 3rd academic year; (3 credit hours)
  - Urban and Town Planning; for the 4th academic year; (3 credit hours)
- *Architecture subjects:*
  - Building technology and working drawings 3 (5 credit hours)
  - Design studio for the 6th term & 7th term.
  - Computer Science Application in Architecture; the 6th & 8th academic term;
  - Course language is English

**2000 – 2002**, College of engineering & technology, Department: Architecture & Computer Science, *Arab Academy for Science, Technology & Maritime Transport, Egypt.*

- Course: Visual Studies 1, (Course language is English) (5 credit hours)

2000 – 2002, Department of History, Historical Building Preservation & Restoration Subject, Faculty of Arts, *Alexandria University, Egypt*.

- History of the Islamic Architecture and Arts - the 9th term; Course language is Arabic (3 credit hours)
- Studio for the 8th term, renovation working drawing. (3 credit hours)

## **SIGNIFICANT INSTITUTIONAL DUTIES/SERVICES RENDERED:**

### **UNIVERSITY OF BAHRAIN, *Bahrain***

**2009**, keynote speaker for the "1<sup>st</sup> scientific research Forum" for College of Engineering University of Bahrain, lecture subject "**CREDENTIAL BUILDINGS ... APPROACH FOR PRESERVING ARCHITECTURE TREASURE**" Monday 18 May 2009, Manama, *Bahrain*

**2008**, keynote speaker for the ONE DAY workshop on "Strengthening the Role of Municipal Work in Support Sustainable Development"; 21<sup>st</sup>. January 2008, done by municipality of Ministry of Municipalities Affairs, Manama, *Bahrain*.

**2008**, Invited as Research and Development Advisor, for reviewing "Kingdom of Bahrain Master Plan" in developing phase, Manama, *Bahrain*

### **SAUDI ARABIA UNIVERSITIES**

**2007-2009**, scientific and referee committee member, for "e Services Symposium", in the 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> eServices Symposium of the Eastern Province: eServices Integration, symposium supervision by University of King Faisal, Department of Planning, Khubar, *Saudi Arabia*

**2005-2008**, scientific and referee committee member, for "G.I.S. Symposium", in the 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> Symposium of the Eastern Province, symposium supervision by University of King Fahed for Petroleum and Minerals, Department of City Regional Planning, *Saudi Arabia*

**2006**, Member of the organizing committee of "BACK TO THE FUTURE", planning and the economic boom, symposium College of Architectural and Urban Planning, King Saud University *Saudi Arabia*

**2005**, Member of the committee of creating the program of "Department of Landscape Architecture", College of Architecture and planning King Saud University, *Riyadh, Saudi Arabia*

**2005**, Member of the committee of Creating the program of postgraduate studies for the subjects of "Landscape Architecture", College of Architecture and planning King Saud University, *Riyadh, Saudi Arabia*

**2005**, Member of the committee of modifying the program of postgraduate studies for the subjects of the "Department of Urban Planning", College of Architecture and planning King Saud University, *Riyadh, Saudi Arabia*

**2004-2005**, Member of the committee of creating the report of the Academic Accreditation, for Department of Urban Design and Planning, College of Architecture and planning King Saud university, *Riyadh, Saudi Arabia*

**2004**, Member of the committee of modifying the program of "Department of Urban Planning", College of Architecture and planning King Saud University, *Riyadh, Saudi Arabia*

## *Arabia*

**2004**, Member of the committee of creating the program of diploma in Computer Aided Design and the diploma in Technology of Building Construction, college of postgraduate studies, King Saud University, *Riyadh, Saudi Arabia*

## UNIVERSITIES IN *EGYPT*

**2000**, Academic Thesis project in Computer Aided Design, “Application of the computer Multimedia software in Architectural, landscape, urban design”, Academic Thesis project submitted for Faculty of Fine Arts, *Alexandria University*.

**1999**, Coordinator, for The Second Architectural Symposium, “the beautification of El-Mansoura City by the Developing of The Ring Road of the City and the city Cornice” Architectural Department, Faculty of Engineering, *Mansoura University*,

**1998**, Coordinator, The First Architectural Symposium, “Evaluation of El-Mansoura City Master Plan” Architectural Department, Engineering, *Mansoura University*.

**1999**, Coordinator for the “Rural Communities Development”; The yearly Conference of the Faculty of Agricultural, Department of land, *Mansoura University*.

## ACHIEVEMENTS AND QUALIFICATIONS

### **Academic work, Special courses: courses had been taken After PhD graduation**

**2005**, Conferred the Diploma certificate for satisfactory completion of the "Effective Presentation Skills I1", Faculty and Leadership Development center (F.L.D.C.), Alexandria University, *Alexandria, Egypt*.

**2005**, Conferred the Diploma certificate for satisfactory completion of the "Managerial Skills P2", Faculty and Leadership Development center (F.L.D.C.), Alexandria University, *Alexandria, Egypt*.

**2005**, Conferred the Diploma certificate for satisfactory completion of the "Thinking Skills P1", Faculty and Leadership Development center (F.L.D.C.), Alexandria University, *Alexandria, Egypt*.

**2005**, Conferred the Diploma certificate for satisfactory completion of the "Communication Skills I2", Faculty and Leadership Development center (F.L.D.C.), Alexandria University, *Alexandria, Egypt*.

**2005**, Conferred the Diploma certificate for satisfactory completion of the "Code of Ethics P4", Faculty and Leadership Development center (F.L.D.C.), Alexandria University, *Alexandria, Egypt*.

**2005**, Conferred the Diploma certificate for satisfactory completion of the "New Trends in Teaching T2", Faculty and Leadership Development center (F.L.D.C.), Alexandria University, Alexandria, Egypt.

**2005**, E.S.R.I. certificate for "Building G.I.S. (Ver. 9)", *Khobar, Saudi Arabia*

**2004**, E.S.R.I. certificate for "Introduction to Arc G.I.S. (Ver. 9)", *Khobar, Saudi Arabia*.

### **Academic work, Special courses: courses had been taken before PhD graduation**

**1994**, Diploma of "Teaching Methodologies and Arts" for the Academic University Lecturer, Faculty of Arts, Mansoura University, General grade "Excellent", *Mansoura Egypt*.

## Publications:

### Academic Books and Educational Handout

**2004**, Handout in Computer – drawing and presentation, AutoCAD Program, Part I. 2D drawings, for Faculty of Architectural and Urban Planning, King Saud University, *Saudi Arabia*.

**2005**, Handout in Computer – drawing and presentation, AutoCAD Program, Part II. 3D drawings, for Faculty of Architectural and Urban Planning, King Saud University, *Saudi Arabia*.

**2005**, Handout in Computer – drawing and presentation, Photoshop Program, Part 1, Projects presentation, for Faculty of Architectural and Urban Planning, King Saud University, *Saudi Arabia*.

**2006**, Handout, 'Cities Infrastructure and Services', for Faculty of Architectural and Urban Planning, King Saud University, *Saudi Arabia*.

### Journal and Scientific Magazines

**2009**, Sustainability and enhancing Urban developing program by developing the task of “Youth center, Journal of Al-Azhar University Engineering Sector, Vol. 4, No. 12, July 2009, 672-788, *Egypt*, **Environmental Urban Planning branch**

**2009**, Ecological System for costal zones approach for sustainable tourism developing, Journal of the Gulf and Arabian Peninsula Studies, Kuwait University, *Kuwait*, Volume: 35 Issue: 132, January 2009, **Environmental Developing branch**.

**2009**, Sustainability and private sector acts in urban developing within regional highways, case study: highways rest stops as developing method, Gulf Road Engineering Society Magazine, Dubai, *U.A.E*, Volume: 7, March 2009,

**2008**, Credential Buildings Approach for Preserving Architecture Treasure, Journal of the Gulf and Arabian Peninsula Studies, Kuwait University, *Kuwait*, Volume : 34 Issue : 130, July 2008, **Environmental Architectural branch..**

**2007**, Privatization ... new approach for international economy, case study: impacts upon city urban developing managements, Volume 132, January -February 2007, PP47-64, Arab city magazine, Arab Towns Organization, *Kuwait*, **Urban Planning branch**

**2007**, The coastal development characteristics and its impacts upon the environment, case study: Costal regions of Saudi Arabia, King Saud University (K.S.A) Scientific Magazine, Riyadh, *Saudi Arabia*, **Environmental Urban Planning branch**

**2006**, Campuses Design from the Islamic Roles Side of View, Journal of the Gulf and Arabian Peninsula Studies, Kuwait University, *Kuwait*. Volume: 32 Issue: 122, July 2006, **Urban design branch**.

**2006**, International trials in urban development management in the new urban settlements, Building Technology Magazine, Specialized Architecture, Engineering &

Technical Reviewed Magazine Issued by Ministry of Municipal; & Rural Affairs, Riyadh, *Saudi Arabia*, **Environmental Urban Planning branch**.

**2006**, Application of Computer Aided Design in Designing Auditorium, Assessment of the Viewing Conditions in Auditoria, King Faisal University Scientific Magazine, Volume 7, No.1, 1427H, 2006 G Dammam, Saudi Arabia, **Architectural branch**.

**2005**, A Review of the Applications of the International experience in the management of the urban development's countries, Khartoum University Scientific Magazine, Khartoum, *Sudan*, **Environmental Developing branch**.

**2005**, Documentation for Buildings by the Use of Advanced Technology, Khartoum University Scientific Magazine, Khartoum, *Sudan*, **Architectural branch**

**2005**, Historical values and architectural unique building authentication, Volume 126, October-November-December 2005, PP50-66, Arab city magazine, Arab Towns Organization, *Kuwait*, **Architectural branch**

### Articles in Magazines

**2009**, Education ... between intelligence and approach, The Saudi Umran Society Magazine, "El-Dera Magazine", Volume 6, No 33, P.P. 50-56, Jun2 2009, second Gamady 1430H Riyadh, *Saudi Arabia*, Issn-1658-094x, **Education branch**.

**2009**, developing skills of urban students using self education approach, The Saudi Umran Society Magazine, "El-Dera Magazine", Volume 6, No 32, P.P. 20-23, January 2009, Moharam 1430H, Riyadh, *Saudi Arabia*, Issn-1658-094x, **Education branch**.

**2008**, Methodology of Using G.I.S. in Assessing Highway Rest Stops., The Saudi Umran Society Magazine, "El-Dera Magazine", Volume 6, No 31, P.P. 54-57, Riyadh, *Saudi Arabia*. (Affiliation with Dr Dalia El-Dardiry), Issn-1658-094x, **Environmental Developing branch**.

**2008**, Quantifying building attractiveness values, The Saudi Umran Society Magazine, "El-Dera Magazine", Volume 6, No 30, P.P. 60-65, June 2007, second Rabee 1428H, Riyadh, *Saudi Arabia*, Issn-1658-094x, **Architecture branch**

**2007**, Environmental evaluation and analyzing the urban development using the S.W.O.T. analysis system scheme, The Saudi Umran Society Magazine, "El-Dera Magazine", Volume 5, No 28, P.P. 92-85, second Gamady 1428H, Riyadh, *Saudi Arabia*, Issn-1658-094x

**2007**, Multimedia Application in Recording Buildings with Cultural Values, The Saudi Umran Society Magazine, "El-Dera Magazine", Volume 5, No 27, P.P. 110-113, Moharam-Safar 1428H, Riyadh, *Saudi Arabia*. (Affiliation with Dr Ahmed Shehata), Issn-1658-094x

**2006**, Fish Bone chart and analyzing urban progress projects, The Saudi Umran Society Magazine, "El-Dera Magazine", Zelhega 1427H, Volume 4, No 26, P.P. 26-27, Riyadh, *Saudi Arabia*, Issn-1658-094x, **Environmental Developing branch**.

2006, Sustainable urban developing strategies in the developing countries, The Saudi Umran Society Magazine, “El-Dera Magazine”, P.P. 26-27, Riyadh, *Saudi Arabia*, Issn-1658-094x, **Environmental Developing branch**

2005, Lessons from the experiment in new cities in urban development, Afia'a Najd Scientific Magazine, Specialized in Urban, Rural and Regional Planning Magazine & Issued by General directorate of Municipal; & Rural Affairs, Riyadh, *Saudi Arabia*, ISSN1658-0613, **Urban Developing branch**

2005, Changing of the governorate roles in development in the developing countries, The Saudi Umran Society Magazine, “El-Dera Magazine”, P.P. 26-27, Riyadh, *Saudi Arabia*, Issn-1658-094x, **Planning Developing branch**

### Academic White Papers

#### Under studying and researching:

2010 , "The responsibility of the developers in developing Coastal Zones; Case study: Eastern Coastal Zone of Saudi Arabia, Saudi Arabia", 9th Global Conference Environmental Justice and Global Citizenship, Call for Papers Science and Technology – Citizenship and Sustainability, Main theme: Environmental Science and Technology, Sub theme: Developing countries and environmental science and technology: the responsibility of the developers towards developing countries; access to alternative technologies, Sunday 11th July 2010 – Tuesday 13th July 2010, Mansfield College, *Oxford, U.K.*

2010, "Practical practice for developing urban fabric in historical areas", Symposium of Urban developing between theories and applications, WORLD BANK & Arab Urban Developing institute,” AUDI”, & City Alliance, , 24-26 My, 2010 *Marrakech, Morocco*

2010, **key node speaker**, Visual Perception ... Principals for Enhance City Urban Image, City planning conference, Jubail City, organized by The Royal Commission for Jubail, Kingdom of Saudi Arabia, 10-12 January 2010, *Jubail Industrial City, Eastern Province, Saudi Arabia*

2010, **key node speaker** Conception the Environmental Criteria for Low Income Houses from View of Sustainability Vision, Kuwait Low Cost Housing Conference & Exhibition, Themes , Low Cost Housing Policies & Strategies , sub theme: Design criteria for low cost buildings (energy- environment- social issues- cultural appropriateness), Radisson SAS Hotel, , January 26-27, 2010, *Kuwait*

2010, Measuring the Environmental consideration in generating Economic & Healthy Houses in view of sustainability vision, Debate between theories and application, Symposium: Hygienic Economic Habitat |.in Small and Medium Cities, March 7-9, 2010, Dongola, *Sudan*

#### Done and completed with approval certificate:

2009, Visual Perception Philosophy... Approach For City Traffic Safety, case study: King Abdullah Avenue – Khobar City – K.S.A., The 13th Gulf Engineering Forum, Kuwait: “Transportation and Traffic Challenges : Opportunities and Aspirations, and dedicated for transportation and traffic.” Courtyard Hotel, *Kuwait* 27-29 October 2009, **Environmental Urban Design branch**

2009, “Youth center’s role in city developing from the Sustainable developing vision”, symposium of training, legislation, management of sustainable urban development, WORLD BANK & Arab Urban Developing institute,” AUDI”, & City Alliance, Wed Madany City,` February 2009, *Sudan*, **Environmental Urban Planning branch**

2009, “Governmental and Private sector association and undertaking in managing city urban developing For new cities in Egypt”, symposium of training, legislation, management of sustainable urban development, WORLD BANK & Arab Urban Developing institute,” AUDI”, & City Alliance, Wed Madany City, (with Dr Dalia El-Dardiry), February 2009, *Sudan*, **Environmental Urban Planning branch**

2008, “Conflict of urban planning policy and strategies in city urban developing”, symposium World Institute for Development Economics Research of the United Nations University (UNU-WIDER) Project: Beyond the Tipping Point: African Development in an Urban World, Cape Town, Jun - July 2008, *South Africa*, **Environmental Urban Planning branch**

2008, "Campuses Urban Design ... between concepts and application in Gulf Region", IFIAD Organizing Forum Committee, International Forum on Islamic Architecture and Design, Sharjah, , March, 2008 *U.A.E*, **Environmental Urban Design branch**

2008, “Environmental Impact of Changing in Land Tenure, the improvement of Urban Environment and the Housing Situation,” symposium of urban planning, under supervision of World Bank and Arab urban development Institute February, 2008, *Kingdom of Bahrain* **Environmental Urban Planning branch**

2008, "Developing Transportation and Highways Performance through Finding Services Opportunities”, Gulf Road Engineering Society conference, Dubai, January, 2008, *U.A.E*, **Environmental Urban Planning branch.**

2007, “Improving Slum Areas in Oasis within Environmental Sustainable Concept” Case study: Siwa Oasis” Workshop III, Local Economic Developing and Organizing Improvement of Housing, World Bank and Arab Urban Development Institute. December, 2007, *Morocco*, **Environmental Urban Design branch**

2007, “Reciprocal Impacts between Urban Changes & Improving Deterioration of Urban Areas in City Centre, Case Study: Koum El-Deka District”, Workshop II Local Economic Developing and Organizing Improvement of Housing, World Bank and Arab Urban Development Institute, November, 2007, Sana’a, *Yemen Republic*, **Environmental Urban Planning branch.**

2005, Sustainable developing for the rural areas, Case study: Taief region, Kingdom of Saudi Arabia, conference the interaction between rural and urban areas, 13-16 December 2005 Cairo, 13-16 December 2005, *Egypt*, **Environmental Planning branch**

2005, “Criteria of assessing the efficiency of cities master plan in the developing countries”, Gulf First Urban Planning and Development Conference, 12 - 14 December 2005, *Kuwait*, **Environmental Urban Planning branch**

2005, “Thinking Skills developing for architecture and planning students”, The G.C.C engineering forum, Bahrain society engineering, Annual Gulf Conferences, Manama, December, 12-13, 2005, *Bahrain*, **Architecture branch**

2005, “Urban developing and the environmental policy for the G.C.C. within GATT arrangements”, The G.C.C engineering forum, Bahrain society engineering, Annual Gulf Conferences, Manama, December, 12-13, 2005, *Bahrain*, **Environmental Urban Planning branch**

2005, “Privatization as A new concept in the world economy & its effect in the urban development administration at cities”, conference of privatization for services in Arabic cities, El-Rabat, September, 2005, *Kingdom of Morocco*, **Planning branch**

2005, “Evaluation of recent designing standards for rest-houses on the high way Riyadh El-Dammam using the information system (GIS)”, symposium of urban planning and transportation in Arab cities, Halab City, September, 2005, *Arab Republic of Syria*, **Environmental Urban Planning branch**

2005, “comprehensive exponents in managing the cities development”, Symposium of El-Zolfa Governorate, Riyadh, *Saudi Arabia*, March, 2005, **Environmental Urban Planning branch**.

2004, “The impact of the coastal development upon environment from environmental urban planning development side of view, case study: eastern region of Saudi Arabia”, Symposium of tourism in K.S.A: opportunities and strengths, King Saud University, Faculty of Arts, Riyadh May, 2004, *Saudi Arabia*, **Environmental Developing and Planning branch**.

2003, “Strategies of recording monumental Buildings by the use of modern technologies”, The G.C.C engineering forum, Kuwait society engineering, Annual Gulf Conferences, September -2003, *Kuwait*, **Architecture branch**.

2003, “The Role of the Building Regulation in Controlling the Building Air-conditions, Architecture Design and Construction Building vision” MECH-100, The G.C.C engineering forum, Kuwait society engineering, Annual Gulf Conferences, September - 2003, *Kuwait*, **Architecture branch**.

2003, “The impact of the communication technology upon the Urban and the social of the Egyptian Cities”, Assiout University Annual Conference, Assiout , 24- 26 April 2003, *Egypt*, **Urban Developing & Planning branch**

2003, “The use of the Islamic Concept in the Architectural design for academic building, Case study: Faculty of Medicine, King Faisal University, Saudi Arabia”, Annual Conference of Yarmouk University join with ASISKO organization, Erbiad City, March, 2003, *Kingdom of Jordan*, **Architecture branch**

2003, “Islamic philosophy in the urban planning of University campus, case study: Campus of King Faisal University, Saudi Arabia”, Annual Conference of Yarmouk University join with ASISKO organization, March, 2003, *Kingdom of Jordan*, **Environmental Urban Planning branch**.

**2001**, “Application of multimedia in documenting historical buildings, Digital approaches to historic and theoretical analysis of architecture”, Conference, Halab City, Arab April, 2001, *Republic of Syria*, **Architecture branch**.

**2001** “Application of the computer Aided Design in designing the auditorium buildings”, Acadia Conference, New York *U.S.A.*, 2001, **Architecture branch**.

**2001**, “Owing stereotyped impacts upon developing and improving the housing in the slum areas”, new communities conference, Cairo Egypt. March, 2001, **Environmental Urban Planning branch**.

**1999**, “Developing the Urban Design of “El-Mansoura City”, yearly symposium, Mansoura University, Mansoura 1999, *Egypt*, **Environmental Urban Planning branch**.

## Professional experience:

### Professional Governmental projects in Egypt:

**2001, Urban developer Management consultant**, “Developing the north of Delta”; project of improving the environmental housing conditions for the village of the north Delta, in co-operating with Faculty of Agricultural, Mansoura University, *Egypt*.

**2001-2002, Governmental Project**, “Upgrading urban areas of Alexandria City”, Governmental projects, environmental studies for Architectural, urban & Landscape projects, Alexandria City, *Egypt*.

**2001, Thesis project**, “Computer Aided Design, Application in Architectural, landscape, urban design”, submitted for Faculty of Fine Arts, Alexandria University, *Egypt*.

**2000, Thesis Project**, participation in “Historical part of Rashid City as an Open Museum” applicable project submitted by Faculty of Fine Arts, Alexandria University, *Egypt*.

**2000, Thesis projects**, “Upgrade the General Master Plan of El-Mansoura City” project, in Dakahlia Governorate, Town planner, City urban designer, *Egypt*.

**1998-1999, Coordinator**; Academic Urban Planning Project of “Developing of the Northern Coast of Delta Region”, Architecture consultant, project of improving the housing conditions for the village of the north Delta, in co-operating with Faculty of Agricultural, Mansoura University *Egypt*.

### Private sector projects in Saudi Arabia

**2005-2009, Environmental Landscape consultant & project reviewer** (specification, QaQc, bill of quantities, tender documents,..etc) for 12 New Universities Campuses in Saudi Arabia, for "Al-Naiem" urban planning and developing consultation office, *Riyadh, Saudi Arabia*

Job Task:

- \* Urban & Landscape Design consultation.
- \* Environmental Urban Planning studies.
